OUR MISSION

Our Mission as a theological entity is to open the spiritual eyes of God's people by empowering them to reach for the divine "Standard" set by God within His Holy Word; and by placing emphasis on Knowledge and Action. (Mark 16:20)

OUR PURPOSE

Our Purpose is to glorify God by magnifying the Kingdom of God within this earth realm; and using the principles of Power, Dominion, and Divine Instructions, to pull down strongholds established by the Kingdom of Darkness.

OUR AUTHORITY

Our Authority is ecclesiastical in context, and given by divine election. Our accreditation is sanctioned by the Council of the Trinity; and is not affiliated with any secular and/or religious accrediting entity.

Credits from HSM are not transferable to any colleges or universities requiring academic transcripts sanctioned by an accreditation entity approved by the Department of Education.
